EDUCATION

Beijing Normal University

Bachelor of Science in Statistics | 2023 - 2027 | GPA: 3.8/4.0

EXPERIENCE

Project Leader | Beijing Normal University | May 2025 - Present

- Led research team of 4 students funded by Beijing Undergraduate Research Fund

- Designed Chinese irony recognition model using LLaMA-2

- Improved F1-score benchmarking against LSTM and RoBERTa

Mathematics Teacher | Middle School of Fengtai | June 2024 - August 2024

- Designed interactive math lessons for 40+ students

- Awarded "Outstanding Educator" in summer practice program

TECHNICAL SKILLS

Languages: Python, R, SQL, LaTeX

Data Analysis: Pandas, NumPy, Matplotlib, Seaborn

ML/NLP: LLaMA-2, RoBERTa, LSTM

Tools: Git, EViews, Excel, SPSS

AWARDS

- First Prize, Market Research Competition (2025)

- Second Prize, National Statistical Modeling Competition (2025)

- Beijing Undergraduate Research Fund (PI role)

- First-class Academic Scholarship (2x)
